

# SHELTERLOGIC GROUP

## Sojag EVEREST Garage Launch Package Spring 2019

World's Most Dynamic Leader in Shade, Shelter, Storage and Outdoor Lifestyle Products

# SOJAG EVEREST GARAGE SERIES

## *Designed with Durability in Mind*

- Crafted from Galvalume® – an aluminum, zinc, and silicone plated steel with exceptional corrosion resistance.
- Featuring a premium textured paint with a stylish matte finish – gives an elegant look perfect to display outside any home.
- NEW panel profile design that makes for a stronger steel garage - rated for 100 mph winds!

## Side Entry Door

- Sturdy 30” wide side-entry door
- Secure keyed locking handle in a brushed metal finish
- Can be installed in your choice of two locations - the left rear side OR the right front side corners

## NEW SOJAG EVEREST GARAGE

- Features extra tall 94” walls
- Includes a full 8’x7’ roll-up garage door
- Ridge beam allows for natural ventilation for the interior of the garage
- Base unit starting at 12’x10’– available in 5’ increments up to 100’ in length

# SOJAG EVEREST GARAGE- Superior Strength

Superior strength truss system provides 35 PSF ground snow load ratings!

GROUND SNOW  
LOAD \* \* \* \*

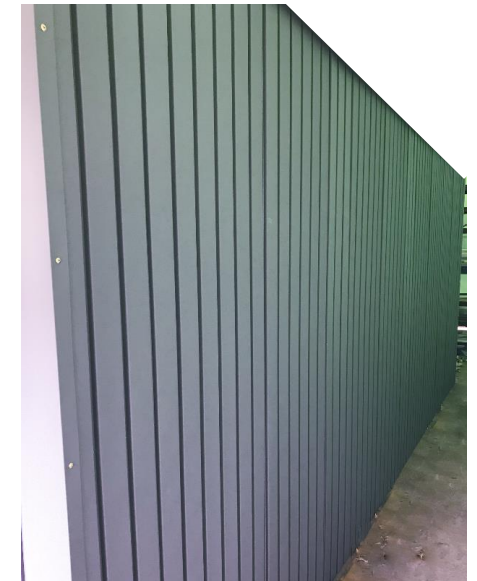

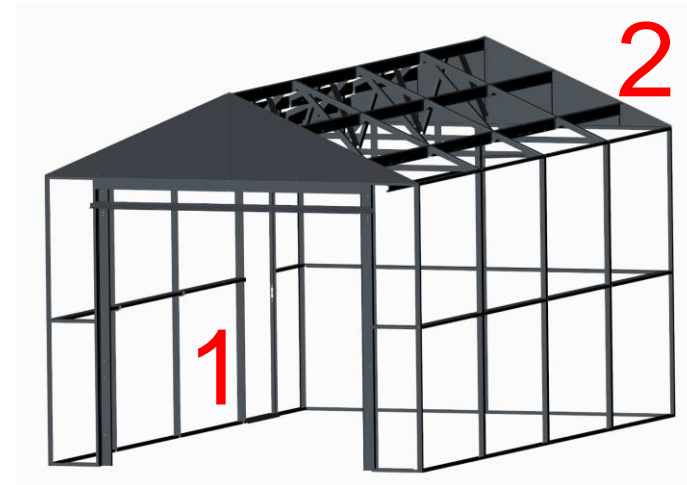

**35**

PSF\*

# Step-By-Step Build

- Garage assembly takes place in stages unlike our traditional Arrow buildings
  - Step 1: Build the framework of the building
  - Step 2: Assemble the truss sections and install
  - Step 3: Clad the walls with the steel panels
- Customer can see the progress they are making
- Give the customer a traditional assembly experience
