Set of 2 - adjusts to any length

90459

Adjustable Length

Create your own firewood rack with 2 x 4 lumber cut to size.

Sturdy Metal Brackets

Two piece bracket and uprights constructed of high grade powder coated steel that looks great and performs better.

2 2 x 4's Required
Sold Separately

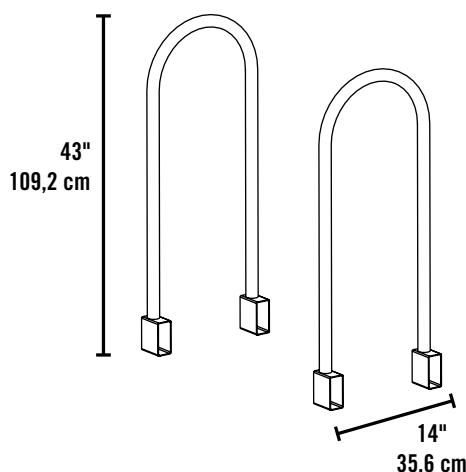

Hi-Grade Steel Frame

1-3/8" / 3,5 cm diameter round-tube steel frame with DuPont™ Premium powder coat finish. Resists chipping, peeling, rust and corrosion.

Assembly Hardware

Ready to build kit includes wood screws to firmly secure bracket end panel uprights to lumber base.

Store it. Season it. Stack it. Sets up and take down in minutes. Adjust size of rack to match wood storage needs by moving bracket position on lumber.
