

12' Garage & Shelter Peak Series 12' x 20' x 10' Instant Garage® Heavy Duty

10' High - All Weather Protection.

- Standing between the weather and your world is our tallest base model the 12' x 20' x 10' Peak Style Shelter. Every frame is built with high grade steel that goes through a 13 step Rhino Shield Surface Prep process.
- Heavy duty 1-5/8" diameter steel frame is bonded with Dupont™ thermoset baked on powder coat finish that prevents chipping, peeling, rust and corrosion.
- Triple-layer polyethylene rip stop weave fabric cover is hot air fused at the seams and 100% waterproof. UV-treated inside and out with added fade blockers, anti aging, anti-fungal agents. White interior lining enhances illumination.
- Solid 6 rib design complete with slip fit connectors and swedged tubing make for easy assembly. Bolt hardware at every connection ensures a solid structure. Rugged Ratchet Tite™ tensioning for quick and easy cover installation.
- Easy Slide Cross Rail system locks down and squares up covers.

Great For: Trucks, cars, SUV's, boats, recreational vehicles, trailers, lawn and garden tractors, bulk storage.
